RETURN TO

RECORDS MANAGEMENT DIVISION

Chief, Regulations Control Staff

7 July 1955

Chief, Records Management Staff

Notice Procurement and Use of Filing Cabinets

1. The subject notice bears an expiration date of 6 July 1955. It is the desire of this office and the Logistics Office that the provisions in the notice remain permanently in effect. Such provisions are now incorporated in a draft regulation covering overall Records Management operations which may require some time to coordinate. In the meantime it is requested that the notice be reissued in its present form.
